Fair Votes for All Petition

The Petition of the residents of CRAWLEY,

Declares that the Petitioners believe that when Parliament makes decisions affecting only the people of England, or England and Wales then those decisions should be made only by the Members of Parliament elected to represent England, or England and Wales; and

The Petitioners therefore request that the House of Commons creates fairness in the devolution settlement by ensuring decisions having a separate and distinct effect on England, or England and Wales, are decided only by the Members of Parliament elected to represent England, or England and Wales. And the Petitioners remain, etc.
